Invitation to review and provide comment on the Forest Stewardship Plan for Tree Farm Licence 1 and Forest Licence A16835

A draft Forest Stewardship Plan (FSP) has been prepared by Coast Tsimshian Resources Limited Partnership (CTR), covering lands within Tree Farm Licence (TFL) 1 and within the Kalum Timber Supply Area (TSA).

This FSP describes Forest Development Units (FDUs) and the results and strategies that will be applied on these FDUs to ensure consistency with the objectives set by government for critical forest values. The objectives are described in the *Forest and Range Practices Act* and its associated regulations. The FDUs include all forested lands within TFL 1 and within the Kalum TSA north of Onion Lake.

The strategies and results described in the FSP will apply to the forest operations of CTR under TFL 1 and Forest Licence A16835, and the term of the FSP will be five years.

This FSP will be available for review and comment from **October 7 to December 7, 2011** during regular operating hours at the following locations:
